Dear Reader:

An Environmental Assessment and proposed Finding of No Significant Impact have been prepared for a proposed buried fiber optic line in Baker County. The route of the line runs across public lands lying between East Dry Creek Road and Hooker Flat Road, about six miles northeast of Halfway.

A public comment period is now in effect through February 28, 2003. To be considered in final decision making, comments must be filed by that date with the Field Manager, Bureau of Land Management, 3165 10<sup>th</sup> Street, Baker City, Oregon 97814.

If you have any questions about this project, please contact Steve Davidson at 541-523-1349.

Sincerely,

s/Penelope Dunn Woods
